**Subject: Eid Mubarak from NJMVP, 3 volunteers needed per org. & our goal to register 5,000 new voters**

As-Salaamu-Alaikum:

Eid Mubarak to all, as we celebrate the Eid, we need to continue working on strategies in improving NJ Muslim Voter Registration. We are still currently under 25% in registered Muslim voters. We need to steadily make every effort to improve these numbers in the coming months. We currently have over 80 organizations part of NJMVP coalition. We ALL recognize the importance of focusing on Voter Registration therefore, let's work together to improve our numbers.

Inshallah, our next meeting will be on **Sunday, July 24, 2016 at 6:00 pm** at [Islamic Center of Passaic County](#), located at 152 Derrom Ave, Paterson, NJ 07504. Also, please be advised that **the week of July 24th** has been designated as the New Jersey Muslim Voter's Registration week. The coalition's **goal is to register at least 5,000** new voters across New Jersey.

Again, we are requesting **each organization to provide three (3) volunteers including a sister(s) and youth for this very URGENT task at hand. These volunteers will be required to setup registration tables at your social and cultural event.** NJMVP will provide the necessary training and the materials for registration drives.

**Other items to share:**
